Management and Board Changes

Atlantic Tin Ltd (“**Atlantic Tin**” or the “**Company**”) is pleased to announce Mr. Michael Norris has joined Atlantic Tin in the position of Chief Financial Officer and Company Secretary.

Mr. Norris is a qualified Chartered Accountant with 30 years of commercial and operational experience in the mining industry. Mr. Norris was most recently CFO at LSE and ASX listed Adriatic Metals PLC, where he successfully brought to completion construction of the Vares high grade silver mine. Prior to that he was CFO of ASX listed Highfield Resources, based in Spain, and Finance Director of LSE listed gold producer Avocet Mining PLC, where he oversaw the construction and commissioning of the Inata mine. He has also held the positions of Head of Business Performance at Anglo American and worked for Rio Tinto in the USA as CFO and Plant Manager at Kennecott Ridgeway Gold Mine and CFO of Kennecott Greens Creek Mine.

Ms. Andrea Betti will resign from both of these positions and will cease her role as a non-executive director of Atlantic Tin at 31 December 2024.

Separately, Nick Slade has stepped down as a Director of Atlantic Tin, having served on the Board since January 2000.

Non-executive Chairman, Mr Stephen Gill commented:

“Mike is a valuable addition to the Company as we transition through completion of the feasibility study, project financing, construction and into operations.

The Board thanks Nick and Andrea for their valuable contribution to the company over the past several years and wish them all the best for the future.”

This announcement is provided for and on behalf of the Board of Directors.

About Atlantic Tin Limited

Atlantic Tin is a tin-focused mineral exploration and development company. Through its Achmmach Tin Project, Atlantic Tin controls one of the highest grade and largest new sources of tin supply globally, and one of the few sources of large-scale mechanised tin production in a low-risk jurisdiction.

The Company (75%) and its Joint Venture partners, Toyota Tsusho Corp (20%) and Nittetsu Mining Co (5%), are advancing the Achmmach Tin Project towards production in the Kingdom of Morocco.

As part of our commitment to sustainable and responsible business practices, Atlantic Tin has embedded the Ten Principles of the United Nations Global Compact into strategies and operations, and committed to respecting human and labour rights, safeguarding the environment, and working against corruption in all its forms.
